If you are looking for a good, centrally located place with a relatively cheap menu and a wonderful, cozy atmosphere, then you are sure to enjoy the **ZOOM Cafe**. This basement-type café is located a few meters away from Kazansky Cathedral, and is extremely popular among students and foreign guests. Many visitors speak of

ZOOM

as of an avant-garde, simply but tastefully designed kind of café with excellent service and most friendly staff! The only inconvenience is that in the evening the café tends to get full of people. If you are ready to spend 15-20 minutes in a waiting line for an open table, this place should not leave you indifferent.
