Café-Bar Pьer has one of the most romantic atmospheres in St. Petersburg with water flowing in between the glass, creating a relaxed mood that everyone enjoys. This image can be seen in the film Piter FM.

The café-bar has an area of almost 300 square meters and has two different places: a karaoke bar with a full dance floor and a café. During the day though, Café-Bar Pьer is a nice café with great food and then closer to the evening, Pьer changes into a great pre-party place. Then in the night, it is an atmosphere of full blown partying. The perfect complement to this experience will be a nice hookah with your visit.
