The Mariinsky Theatre will soon start to record the operas and ballets for Russian and international television. Live ballet performances will also be shown in Russian cinema theatres to television audiences. The first live show of 3D- ballet will begin on February 14th. Viewers will be able to see Swan Lake (director Valery Gergiev). The team of James Cameron are helping Gergiev with the performance. James Cameron's writing and directing work includes The Terminator (1984), Aliens (1986), The Abyss (1989), Terminator 2: Judgment Day (1991), True Lies (1994), Titanic (1997), Dark Angel (2000–02), and Avatar (2009)

After Swan Lake is completed, Gergiev plans to produce “Anna Karenina”, ballet in 3D. So for all those who love ballet, try a new experience by watching it in 3D, starting on February 14th, 2013!
