Probably the most popular and fun street in St. Petersburg as far as drinking is concerned. :) Dumskaya is located next to Gostiny Dvor and [Nevskiy Prospect](#) metro stations. This street is famous for its bars and clubs, in which teens and those who are in their twenties and even thirties come for a great time. Though it can be very dirty on the streets and in the bars, Dumskaya has around 10 different bars and several different clubs. This is the place to be any day of the week but usually the best parties happen on Fridays and Saturdays. The party starts at 10 pm and lasts until 6 am in the morning! The party lasts all night long until the metro opens and you can go home! :) It's the atmosphere and people on Dumskaya, which makes it so great.
